

2018 Seasonal & Annual Camping Information

Regular Season March 1 through mid Nov (last day before gun season)

Winter Season-First day of Gun Season through end of February

Annual sites (105, 106 and 107) run from Mar 1 through end of February

2018 Rates: \$1000 (seasonal sites) and \$1300 (annual sites). A non-refundable deposit of \$300, to hold your site for next year, is due by October 31, 2017. The remainder of the balance (\$700/seasonal or \$1000/annual) is due by March 1, 2018. Water will not be on until closer to May 1, depending on the weather.

Stall Rentals: Private stall rental is \$225 for the season and you will be the only one that uses that particular stall. We will also offer “per night” rentals for \$7.50/night. All stalls are rented as “nightly stalls” during the Winter Season. All stalls (even private ones) are to be cleaned out after each use, before you leave the grounds to go home. This helps with fly and odor control. Nightly stalls need to have fresh sawdust put in after they are cleaned, as well. If stalls are left dirty or sawdust isn’t replaced in the nightly stalls, a \$10 stall cleaning fee will be charged to your account.

Winter Storage: *Does not apply to sites 105, 106 or 107.* We will allow you to store your winterized camper on your site during the Winter Season. The fee is \$100. If you choose this option, the unit would need to be winterized and disconnected from water and electric. The winter storage fee is due by October 31, 2017.

Winter Season Camping (1st day of Gun Season- end of Feb): *Does not apply to sites 105, 106 or 107.* If you have your camper here for winter storage and you would like to camp during the winter season, there is no charge for camping. If you are a contracted, seasonal camper for the next year (but do not pay for winter storage), you will receive a 50% discount on our winter season camping rates, including nightly stall rentals. All stalls are rented on a “per night” basis during the winter season (even if it’s your private stall during the regular season). (Contracted campers winter discount prices: \$7.50/night for site & \$3.75/stall per night).

On November 1, 2017, we will offer all sites that do not have the deposit “PAID IN FULL” to people on our waiting list. No Exceptions. Thanks for understanding.
